5) **DOCUMENTATION ATTACHED**

The information outlined in 711 C.M.R. 3.06 must accompany this application. Attach for each permit being requested.

- A copy of the most recent city/town assessors map showing the area within a 500 foot radius of the proposed sign and all public parks, reservations, public ways, businesses, water bodies or water ways, residential properties, historic properties or districts, and any other buildings, signs and other natural features and structural improvements viewable from the principal highways which the sign is intended to face and within 500 feet of the proposed location of the sign as measured along all public ways within 500 feet of the sign location. 711 C.M.R. 3.06(1c)
- A certified plot plan showing the exact location of the proposed sign. 711 C.M.R. 3.06(1d) **IMPORTANT CHANGE:** Any plan/blue print document(s) submitted must also include a copy of each document not larger than 11 x 17 inches. (This will ensure timely processing of your application.)
- A list identifying by name and address the two separate business, industrial or commercial activities relied on by the applicant to satisfy 711 C.M.R. 3.07(3). 711 C.M.R. 3.06(1e)
- A set of photographs of the proposed location of the sign and the surrounding area. 711 C.M.R. 3.06(1f)

6) **PERMIT NOTICE OF CERTIFICATION**

I hereby certify that the proposed sign(s) is beyond 300 feet of any public park, playground, cemetery, forest, reservation and or any other scenic or recreational area and will be maintained in conformity with the standards for permits set forth in 711 CMR and the sign(s) are in compliance with applicable local, state and federal law.

I hereby certify that the proposed sign(s) is subject to M.G.L. Chapter 93D. and is beyond 500 feet from any other off premise outdoor advertising sign facing the same direction on the same side of roadway. If sign is not subject to 93D than proposed sign is subject to M.G.L. Chapter 93 and therefore is beyond 100 feet from any other off premise outdoor advertising sign facing the same direction on the same side of roadway.

I hereby certify that the proposed sign(s) will not exceed 25 feet in height or 60 feet in length and that the overall dimensions will not exceed 1200 feet.

- Proposed sign has been lawfully in existence prior to December 31, 1971 and continuously thereafter and is therefore not subject to the spacing requirement.

The undersigned warrants and represents that he/she is duly authorized to sign this document: that he/she has permission from the landowner to erect/maintain a sign at the proposed location and that he/she has legal access to the property.

Applicant Name (please print) Clear Channel Outdoor

Authorized Signature:
