Mr. Philip W. Riley  
Chairman – Zoning Board of Appeals  
Town of Norwood  
566 Washington Street  
Norwood, MA 02062

Dear Chairman Riley,

I write on behalf of the Westwood Board of Selectman regarding the proposed cell tower on the Hultman property in Norwood.

We recognize the issues surrounding such installations, including the federal requirements that may well usurp local zoning authority. However, given that a neighborhood of Westwood residents are immediately adjacent to the proposed cell tower site, we ask for your consideration in helping to protect their interests.

If a cell tower is to be approved, we ask that the Norwood ZBA require a monopole design, with internal antennas and a US flag affixed to the outside at the lowest height required to accomplish the coverage.

Thank you for your attention in this matter.

Sincerely,

Philip Shapiro  
Chairman
